

The Parent Support Association of Calgary has meetings in Okotoks!

Parenting a teen has many rewards but can pose challenges such as defiance, unhealthy relationships, depression, isolation, truancy, abusiveness, addictions, stealing, and violence.

The Parent Support Association knows that parent-teen conflict can be overwhelming. They have experienced it. They can help get your family through it.

**Please call 403-270-1809
for information and to register**

Group meetings are held Wednesday evenings from 7-9 pm at the Okotoks Health and Wellness Centre.

Pre-registration is required.
