

Riparian Restoration Workshop Series

August 23rd - 27th 10:00am - 4:00pm Daily

Attend one or more of these upcoming workshops to learn how to identify riparian plants, reconstruct stream banks, mitigate climate impacts, and participate in restoring your watersheds. You can also earn a Certificate in Riparian Restoration Essentials by participating in 2 or more of these workshops!

August 23rd Land Use Planning with Alberta Tomorrow

August 24th Flood Recovery with AMEC Foster Wheeler and Cows & Fish

August 25th Carbon Accounting in Forested Landscapes with Natural Resources Canada

August 26th Riparian Forests, a Blackfoot Traditional Perspective with Harley Bastein

August 27th A Review of Carbon Credit Policy in Alberta

These essential land management workshops are lead by Sustainability Resources with [Cows and Fish \(Alberta Riparian Habitat Management Society\)](#). Discuss forests as an engineering tool, forests for water quality, and forests as a climate strategy. Guest speakers from Natural Resources Canada, the Government of Alberta, Alberta Tomorrow and others will provide participants with a greater understanding of carbon offsets, the carbon cycle, and the role of healthy watersheds in mitigating climate impacts.

Sustainability Resources coordinates these workshops with support from federal and provincial environmental grants to help elected representatives and government staff to learn how plants clean our drinking water, reinforce shorelines, mitigate flood and drought, and absorb carbon. Each workshop demonstrates how to capitalize on these benefits by implementing an actual enhancement project.

Riparian Restoration Workshops are ideal for people working in parks, drainage, land use planning, agriculture, or landscaping, and especially decision making. This year we are enhancing flood recovery projects in the Municipal District of Foothills at Three Point Creek in the Sheep River Watershed!

Residents of the Watershed: FREE | Non-Profits/Under-employed: Pay-What-You-Can or Donate | Corporate/Government/Professionals: \$50.00 (Includes Lunch!)
