Notice of Construction

Project: Blackie & Cayley Valve Replacement

Affected Streets in Cayley: Nanton Street, Ross Ave, Railway Ave, Jamieson St, Niblock St, and Tetachuck Cr

Please be advised that construction along the above streets in Cayley is set to commence August 22. Affected homeowners have been informed with individual notifications delivered directly to them.

Stein Excavation Technologies will be working in your community on behalf of the Municipal District of Foothills No. 31 to replace affected home water services. Each valve repair is expected to be completed within a day.

The scope of work is to replace curb stops (or lot servicing valves) and some main valves in need of replacement. Affected roads will not be closed.

Work on these replacements is scheduled to be completed approximately by the end of September 2018, date may vary depending on weather conditions.

We appreciate your patience during this construction and look forward to the completion of these important valve replacements.

Should you have any questions please call: 403-652-2341.

Thank you.
