

FOOTHILLS FIRE DEPARTMENT

Memo

To: Municipal District of Foothills #31
From: Jim Smith, Fire Chief
Date: 4 September, 2018
Re: Fire Ban Lifted

As of 04:13 p.m. today in the Municipal District of Foothills # 31, by order of Council, has lifted the fire ban imposed on August 8, 2018. All open fires will now be allowed by obtaining a burning permit issued by the MD of Foothills Website. Fire Inspectors may request to inspect your burn pile before issuing a burn permit. Burn Permits are available free of charge

The burning of prohibited debris is against the law. Prohibited debris includes but is not limited to this list:

- Tires
- Plastics
- **Household Garbage**
- Paint and paint cans
- Used motor oil and filters
- Furniture
- Treated Products
- Animal Carcasses

Please only burn clean burnable debris. All other material can be disposed of at the Foothills Regional Landfill.

Thank you,

James (Jim) Smith, SCO-Fire
Foothills Fire Chief
